### HERE'S A CHALLENGE

Sporting Editor:

There is a team of basketball players in Gary that averages 110 pounds. It is a team of boys called the Owls. They have only played one game as yet and that was with Ambridge. They beat this team 42-25. It is not a school team but an independent team of boys. Most of the boys on this team are high school boys of Emerson school.

This team is challenging any team in Hammond or in Hammond's district, that weighs on an average of 110 pounds or under. The manager of this team, a boy of 9-A class in the Emerson would like to communicate with the coach, captain or manager of any teams of boys that are of that weight. Will schedule a game with Hammond's second team if they can reduce its weight to 115 pounds. If any team in Hammond want revenge on Gary here is your chance. Hammond wake up, don't let any Gary team put the dope over on you, here is a challenge. To consult the manager of the Owls write to William Davis, 761 Maryland St., Gary, Ind.
